

ESSER WINES

2023 CABERNET SAUVIGNON

PASO ROBLES, CALIFORNIA, USA

WINEMAKING

This premium Paso Robles Esser Cabernet Sauvignon was produced from sustainably farmed vineyards in picturesque Paso Robles County. These grapes benefit from a long growing season, abundant sunshine, and cool evening breezes, resulting in a wine that expresses terroir and true varietal character. The growing season was excellent with a refined balance of soft rains with no extended heat periods. The fruit was picked in the early morning hours and processed at the nearby winery to be aged in both American Oak 20% and New Hungarian Oak 20% for 6 months.

COLOR

Deep dark ruby color.

AROMA

Lush aromas of cassis, dark cherry, blueberry, cedar, anise, and subtle ripe black olive (oil cured).
